EZOBORD OFFICE MADE EASY

We're making EzoBord even easier with our quick select product guide featuring our most popular products and colors. These acoustical performance-based office products enhance the design environment of your hybrid office experience, support privacy focus spaces, or integrate separation into work modules. EzoBord has the right complement of solutions that combine aesthetics, acoustics, and design for the next generation of workspaces.

Shapes, Sizes, Colors, and Spaces

Featured are EzoBord, products offering a wide range of applications for your working office environment. From Kayra to Kulma Screens, Bench to Desk Screens, and Work Zone Dividers to our standalone Pyramid and unique Hoody solutions. EzoBord provides both style and functionality to meet your changing office needs. Multiple colors are offered to match the décor of any workspace including six popular colors that are available on all products. Configurable and easy to assemble, choose the shapes, patterns, colors, and sizes that make your space work better.

Easy

Know what you need? EzoBord has provided an easy-to-use program of high design products that complement any workspace. Please contact us to find out more and how we can assist you with any project customization. You can refer to our regional locations listed on the back cover or simply go to EzoBord.com.

WORK ZONE DIVIDER MODULAR

SCAN FOR MORE INFO

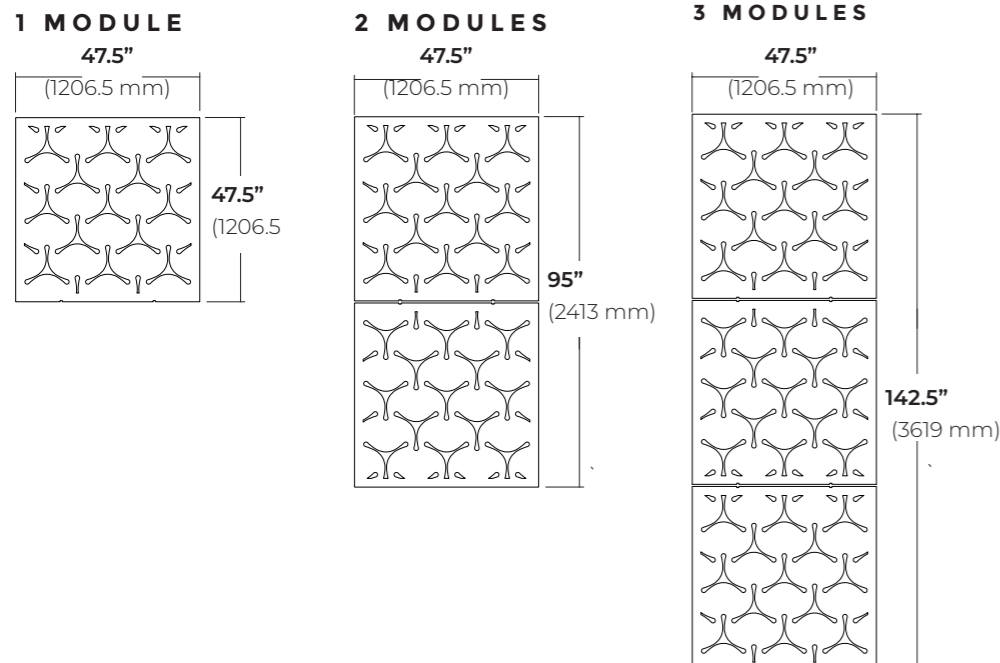

CODE **W Z M - X X X - X X X - X X - X X - X X X X**
PRODUCT PATTERN WIDTH LENGTH THICKNESS COLOR

Work Zone Dividers Modular have key distinguishing features for the design illuminati. It can be comprised of one, two or three modules allowing you to create a truly spectacular parameter division. Still porous to allow light, but boldly applied for design intent. This product can be mounted in sections at different heights for added effect, something that the standard single piece Work Zone Dividers cannot accomplish.
