

OFFICE

# MODESTY SCREEN

EzoBord Modesty Screens are a great way to absorb sound, add privacy, color, and style in any open plan workspace. It enhances speech intelligibility making every office space a better place to work. This product is a welcome addition to any open plan office and is totally customizable for size, shape, hole pattern, and color. It is also available in single or double layer to accommodate any budget or design. EzoBord Desk Screens are a great eco-friendly alternative to fabric-covered desk screens.
